# A NOTE FROM THE DIRECTORS

How is it possible that we are approaching the close of Season 9 here at ECTC?! The next few months really feature our Educational Program students with performances of Jr. Company in *Old MacDonald*, ECTC Kids in *Willy Wonka Jr*, and ECTC Teens in *Crazy for You*. These students always amaze us with their dedication to the craft of acting, to each other, and to the productions they present. What a delight it is to watch them take the stage and shine. In May, we have the joy of presenting *Xanadu* as our final performance of Season 9. We are going to take you back to the 80's and have you roller dancing to all the best sounds of the era.

As we head toward the end of Season 9 we have been contemplating, planning, and dreaming about Season 10. WOW! Ten years of ECTC. Ten years of children and students performing, ten years of exceptional professional theatre, ten years of inspiring theatre for youth. It is a milestone that we are thankful for and plan to celebrate. As we reflect, the heart of ECTC has become clear. The heart of ECTC is .....the teen that holds their head a little higher each week as they join the tribe, the sponsor that comes to every show and brings their friends, the VIP ladies group who plans dinner and a show, the group of volunteers and Leading Ladies who are faithful to work at every show and attend meetings... This is the heart of ECTC and this is what we plan on celebrating in Season 10!

We have some big plans for next year! Bigger shows, more educational programming, continuing the connection to YOU our community. We appreciate you so much and look forward to celebrating Season 10 with you!
